

TEMPORARY PERSONAL PROTECTION BARRIER PURCHASING GUIDE

To better assist UCR departments with purchasing temporary personal protection barriers for your unit, Facilities Services is providing the following purchasing guide. This guide provides options for temporary prefabricated barriers from vendors for purchase. As Facilities Services will not be responsible for installation, purchases through vendors should always include installation and is the responsibility of the department.

Below are details of the items available for order and the instructions are on the backside of the document. Please work with your purchasing unit for the buying process in your organization.
