In an effort to help UCR departments with disinfecting areas within your unit, Facilities Services is providing a disinfecting kit for use in campus facilities. There is no charge. This kit will provide an EPA approved, one-step surface disinfectant spray that does not require you to wear PPE and is effective in killing the virus left on a variety of surfaces. Below are details of the items and how to order your kit.

**KIT INCLUDES**

**2** PURELL® Professional Surface Disinfectant Bottles  
32 fl oz Capped Bottle with Spray Trigger, One-step disinfectant cleaner

- Effective hard surface disinfecting and soft surface sanitizing for plastics, metals, granite, sealed wood, porcelain, laminate, upholstery, vinyl, etc.
- Kills Human Coronavirus* and Hepatitis A in 60 seconds.
- No Personal Protective Equipment (PPE) required.
- Kills Norovirus and MRSA in 30 seconds.
- Kills 99.9% of germs on surfaces, including the cold & flu virus.
