MARCH 2025

Massive irrigation repair finished in time

Irrigators Juan Hernandez, Robert Dixon, and Barry McMichael worked on the largest single repair of an irrigation mainline, which supports the fields of the Riverside Sports Complex. Six more staff assisted them in a race to beat the rain.
(UCR/Erin Chapman)

Retirement congratulations to Vice Chancellor Gerry Bomotti

In 2018, Gerry Bomotti, vice chancellor for planning, budget, and administration, helped our custodial team acquire automated equipment and even took one for a test drive. His steadfast support for Facilities Services has been invaluable and we appreciate his leadership.

As he retires, we wish him the best and welcome him back anytime for another test drive!

Celebrating new staff & promotions!

HR team members Frances Rave, Tausha Barnett, and Tracy Coelho hosted a job fair with Environmental & Resource Services on January 31. FS has been recruiting in partnership with the Employment Development Department, or EDD, to fill senior custodian vacancies and conduct on-site interviews. (UCR/Sandra Martinez)

A clean sweep and spotless victory!

Custodial Services: Our customers are appreciating the results of your hard work!

The Riverside Sports Complex locker room floors are gleaming after a deep scrub and mop. (UCR/Charles Dalton)

The floor care team spent three weeks deep cleaning every carpet and hard floor of the Geology Building. (UCR/Sandra Martinez)

KUDOS

NEW DIGITAL SIGNAGE AND FRESH PAINT BRIGHTEN FS ADMIN

Our lobby now features an eye-catching television! Special thanks to: **Al Ortiz** for selecting the TV; **Becky Casem** for purchasing the TV, mount, and Yealink RoomCast; **Willy Cuellar** for measuring and determining where to mount the unit; **Vincent Hernandez** for installing the electrical outlet; and **Matthew Munton** and **Javier Pulido** for beautifully painting and patching the wall.
